Mr. Scott Miller, Esq.

I am writing to provide an e-copy of EPA's letter to Sims that provides comment on the *Draft Sediment Remediation Plan* and *Revised Draft Ecological Risk Assessment* submitted to EPA for review on Tuesday, October 16, 2018.

I do acknowledge that some time has lapsed due to an earlier government shutdown and other competing priorities. As you'll read in the letter, I will reach out to Sims next week to schedule a meeting with the goal of coming to an agreement on all remediation and disposal work that will be performed.

Please find attached EPA's letter that was also sent certified mail Friday, April 5, 2019.

Respectfully,

*Lawrence Torres*
